WILLIAMS VENKER & SANDERS

ATTORNEYS AT LAW

L.L.C.

Simone Nicorici works within the toxic torts practice area, assisting the firm's attorneys in matters related to asbestos litigation. Experienced in drafting pleadings, motions, briefs and medical summaries, she is familiar with case preparation from discovery to trial phase. Simone specializes in research and investigation, utilizing information gathered to provide detailed reports. She is familiar with both technology-based and legal library sources to obtain relevant data and material in support of case development.
