WILLIAMS VENKER & SANDERS
ATTORNEYS AT LAW L.L.C.

Deanne Ross specializes in asbestos litigation within the firm's toxic torts practice group. Working as a paralegal for over five years, she has been actively involved in deposition summaries, discovery answers and correspondence, and document organization and review. Additionally, Deanne has experience tracking multiple deadlines and monitoring incoming notices while handling the day-to-day management of over 800 asbestos cases.
